

# Three Great Kings

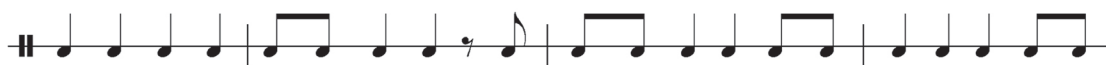

with a slight swing

Three great kings on a cold win-ter's night, Found the Ba-by Je-sus guid-ed by the light. The

first king said, "Great gifts we bring!" The sec-ond king said, "Great prais-es we sing!" The

third king said, "We fol-lowed that star. We've jour-neyed so long and we've come so far." And they

knelt and they prayed and they bowed their heads to wor-ship Ba-by Je-sus in His man-ger bed.
