

Lamb of God Washcloth Project

This project requires parent involvement.

You will need:

- A white washcloth
- Sturdy purple ribbon (choose ribbon that can get wet, about 18" in length)
- A black permanent marker
- A 2" rubber ball (found easily in pet stores)
- Some white felt
- A needle
- Dental floss
- Scissors

1. Wrap the center of the washcloth around the rubber ball and tie tightly with the ribbon. Use double knots.
2. Use the patterns to help you draw on the face in permanent marker. When drawing on terry cloth, it helps to dab the color onto the cloth. PRINT PATTERNS
3. Use the patterns to cut the ears out of the felt.
4. Thread the needle with dental floss and sew on the ears, gathering them at the top as you sew.
5. Use your lamb in the tub to take away the dirt and remember that Jesus, the Lamb of God, takes away our sins.
